							66" x 168"	66" x 168"	66" x 168"	66" x 168"

The Design Pressure Rating of the individual windows in the mull configuration cannot exceed the rating of the structural mullion.

Vertically mulled configurations are not limited to the geometric shapes referenced in the chart above. Contact Inside Sales for more information when ordering other geometric options.

Factory mulling is unavailable. See page 26 for structural mullion assembly instructions or reference the instructions found on the Florida Building Code Online site, www.floridabuilding.org.
